What was helpful about taking this course?

- Board orientation and training
- Hierarchy of board policies
- Board Policy Manual
- Learning about the process, roles, functions and what to do and not do.
- Identify where we had some gaps. Helped us see areas that we are doing well and can celebrate.
- Clarification of board members roles.
- Collaboration session was very helpful. Gave me an opportunity to bond and get to know board members and staff.
- Establishing guidelines between operations and board responsibilities.
- Board Policy Manual
- I wear a few hats and found I can relate. I look forward to helping my board grow.
- Foundational knowledge of governance
- I found that the level of trust on the board is essential.
- Helped to point out deficiencies and strengths of our board model and the relationship with the ED.
- Great material, and good pace.
- Direction and clarity for moving forward.
- Loved the discussion and open questions and time wrestle together with our board.
- Information is foundational for defining purpose & performance of a board.
